STIP AMENDMENT 98S-98 ACTION

ACTION UPDATE FROM NOTICE

This item was noticed at the February 2000 Commission meeting; the Commission requested the Action Item be placed on the consent calendar as originally proposed.

SUMMARY

This amendment modifies the scope of a City of Oakland project to repair storm damage on four local streets by substituting repair work along Skyline Boulevard for the originally planned work on Redwood Road. The City of Oakland was able to secure federal emergency relief funding to repair Redwood Road. There is no change in total cost for the project, which is programmed in FY 1999-2000 for \$2,082,000.

RECOMMENDATION

The City of Oakland, with concurrence from the Alameda County Congestion Management Agency (CMA) and the Metropolitan Transportation Commission (MTC), is requesting this amendment. The Department reviewed this amendment and found it to be consistent with the Commission adopted STIP guidelines.

RESOLUTION

Resolved, that the California Transportation Commission (CTC) revise the 1998 State Transportation Improvement Program (STIP) at the end of the 30 day notice period as follows:

Modifies:

BACKGROUND

This amendment modifies the scope of a City of Oakland project to repair storm damage on four local streets by substituting repair work along Skyline Boulevard for the originally planned work on Redwood Road. The City of Oakland was able to secure federal emergency relief funding to repair Redwood Road. There is no change in total cost for the project, which is programmed in FY 1999-2000 for \$2,082,000.

This project was to repair roadway damage and stabilize roadways as a result of various storms on four sections of road in the City of Oakland. Repair work along Skyline Boulevard will rehabilitate the roadway between Castle Drive and Joaquin Miller Road in the City of Oakland. The total funding programmed for the four locations will remain at \$2,082,000, with no change in Alameda County's Unprogrammed County Share Balance.
